DEPUTY COMMISSIONERS
Ellen C. Graziano (R)
Kathleen A. Carey (D)

August 6, 2009

Attention Voter:

All counties in New York State must make the change from our current lever voting machines to an optical scan voting machine. During the Primary and General Election of 2009, the Albany County Board of Elections will be conducting optical scan voting in 25 election districts in parts of the towns of Bethlehem, Colonie and Guilderland.

Representatives from the Board will be demonstrating the optical scan machine on:

Saturday, August 8th – 10:00 AM – 2:00 PM
Monday, August 10th – 5:00 PM – 8:00 PM
Tuesday, August 25th – 5:00 PM – 8:00 PM
Saturday, August 29th – 10:00 AM – 2:00 PM

At the following locations:

Guilderland Town Library/ Colonie Town Library / Bethlehem Town Hall.

The following is a brief description of the voting process using the optical scan voting machines:

1. Arrive at your election district and sign the poll book.
2. Receive a paper ballot and pen/pencil and proceed to a privacy booth.
3. Darken in the ovals on the ballot to mark your vote.
4. Bring your completed ballot to the optical scan machines which will read your ballot and tabulate your vote.

Should you have any questions regarding the change, please contact the Board of Elections at (518) 487- 5060.
