2. The fee for annual permit renewal is twenty-five dollars.  
**Due within 30 days of receipt of renewal.**
3. The charges for sanitary waste disposal from areas *inside* of Albany County are thirty-five dollars per thousand gallons.  
**Due within 30 days of receipt of invoice.**
4. The charges for sanitary waste disposal from areas *outside* of Albany County are fifty-five dollars per thousand gallons.  
**Due within 30 days of receipt of invoice.**
5. The fee for onsite monitoring, inspections and surveillance procedures are waived at this time.  
**Subject to change upon prior notification by the District.**
6. The fee for copying Hauled Waste Disposal Worksheets is twenty-five cents per copy.  
**Due upon request.**
7. Failure to properly and/or completely submitting all requested Information on the Sanitary Hauled Waste Daily Worksheet may be subject to a **five dollar** fine. Each sheet is subject to a separate fine.  
**Due within 30 days of receipt of invoice.**

These charges and fees relate solely to the matters covered by the Rules and Regulations of the Albany County Sewer District Local Law F, 2008.

The Schedule of Charges and Fees may be modified by the Director as deemed necessary. Any changes to the Schedule of Charges and Fees will be given to the Sanitary Waste Hauler 30 days prior to taking effect.

Any objections to these charges and fees will be submitted in writing to the Commission for review. Any determination made by the Commission shall be final and conclusive unless reversed by order of a court in a proceeding commenced pursuant to CPLR Article 78.

Any fees not remitted to the District in their allotted time will be transferred to division of law for collection.
