ADDITIONAL CREDITS FOR WAR-TIME VETERANS OR DISABLED VETERANS

For the purpose of claiming veterans' credits on a civil service examination, an applicant must have been honorably discharged or released under honorable circumstances after serving on active duty with the armed forces of the United States **during time of war**.

- Disabled and non-disabled veterans who establish eligibility for additional credits and are successful in the examination are entitled to have 10 and 5 points, respectively, (5 and 2.5 points in the case of promotional examinations) added to their earned scores, and provided they have not previously used such credits to obtain permanent appointment or promotion. Veterans may determine to waive the use of their credits at any time up to the time of permanent appointment or promotion.
- Veterans who are eligible for additional credit must submit a copy of their separation papers (DD-214) within two (2) months of the last filing date for the examination. Veterans' credits can only be added to a passing score on the examination.
- Effective January 1, 1998, the State Constitution was amended to permit a candidate currently in the armed forces to apply for and be conditionally granted veterans' credits in examinations. Any candidate who applies for such credit must provide proof of military status to receive the conditional credit. **No credit may be granted after the establishment of the list.** It is the responsibility of the candidate to provide appropriate documentary proof indicating that the service was in time of war, as defined in Section 85 of the Civil Service Law, and that the candidate received an honorable discharge or was released under honorable conditions in order to be certified at a score including veterans' credits.

If you received or expect to receive an honorable discharge from the Armed Forces of the United States, as a war-time veteran or disabled veteran as defined below, you may claim extra credits to be added to your exam score, if you pass. The Armed Forces of the United States means the Army, Navy, Marine Corps, Air Force and Coast Guard, and all components thereof, and the National Guard when in the service of the United States pursuant to call as provided by law on a full-time, active duty basis other than active duty for training purposes.

Discharged veterans are required to submit a copy of their DD-214 discharge papers. Active duty members of the Armed Forces must submit proof of active duty status, such as current Military I.D., Military Orders or other official military document that substantiates active duty status. To claim credits as a Disabled Veteran, you must be entitled to receive payments for a service-connected disability (rate at 10% or more) incurred during time of hostile action or war.
